

This jar can absorb up to a 55 gallon spill

E-Z SORB

DIRECTIONS FOR USE

Sprinkle E-Z Sorb flakes starting outside the spill working inward towards the center. Spill will quickly become a gel that can be picked up with a shovel or broom & dustpan. Toxic spills should be disposed of in accordance with all EPA & DNR guidelines. Immediately clean surfaces with a good detergent or cleaning material. Use care as surfaces may become slippery.

E-Z Sorb is biodegradable and non-toxic
